7	Rev Song	A Plea for Holiness – I Thess 4:1-8	JOURNEY INTO HOLINESS: At the base of all true Christian experience must live a sound and sane morality. No joys are valid, no delights legitimate where sin is allowed to live in life or conduct. To seek high emotional states while living in sin is to throw our whole life open to self-deception and God's judgment. "Be holy" is not a mere motto to be framed and hung on the wall. It is a serious commandment from the Lord our God. Come and find out how we can grow in personal and corporate holiness.
