You can find old buildings dated back 40 years ago, such as coffee shops, restaurants, provision shops and fishing huts. When was the last time you've seen Kampongs and old Chinese town in Singapore?

**LIGHT,

in the cross**

Synopsis: There is no better vantage point from which to view our lives than at the foot of the cross of Christ. The betrayal, trial and execution of our Lord throw light on the deep darkness of the human heart and at the same time reveal God's intense love for our world.
